

Highlights:

- Works with any SourceCon™ enabled device
- Up to 30 meter Bluetooth transmission
- 8 devices pairing memory
- Pin code protection
- Extendable antennae
- Version 4.1 /output class 2

Product information:

The BMP40 receiver offers wireless connection possibilities for audio playback from any Bluetooth-compatible portable device including laptops, smartphones, tablets or any other. A long-range transmission distance (up to 30 meters) is possible depending on the installed environment.

Device discovery and pairing protection with storage of up to 8 authorized devices shall prevent playback from unauthorized users in public areas. All media information such as track and artist information can be retrieved from the BMP40 (if supported by the connected device), while playback control is possible from the connected device or remote control.

Applications:

- Clubs
- Retail
- Corporate
- Houses of worship
