

Highlights:

- Modern and elegant design
- Wall mounted bracket included
- 100 Watt Continuous (AES) power
- 8" high-performance woofer
- Innovative & unique design
- Countless mounting possibilities
- High grade aluminum construction

Product information:

The NOBA8 is a compact 8" bass cabinet which is characterized by an innovative & unique design. With its curved shape, made of 4 mm thick aircraft graded aluminum and its extremely powerful 8" woofer of 200 Watts, the NOBA8 is able to deliver an unheard low frequency response for its small woofer size. The perfect acoustic experience is guaranteed when the entire audio frequency spectrum is equally distributed.

The slick look of the NOBA8 allows it to be placed against a wall, on the ceiling or even underneath furniture, yet due to the unique composition of its parts, NOBA8 ensures a much better spreading of sound waves than other similar cabinets. It is loaded with a 8" high-performance woofer constructed with a Max power handling of 200 Watt, with an RMS rating of 100 Watt. The strength of this loudspeaker originates from a 2.4" voice coil which is allowed to extra long excursions, combined with a large magnet size. Displacements are precisely controlled by the low-loss suspension resulting in a superior linear behaviour.

The input connection is made using a terminal block connector located at the inner side of the supporting structure, allowing close placement to any wall or corner. An included wall mounting bracket offers convenient mounting possibilities to any wall, while fixation to ceilings is possible through optionally available accessories.

Applications:

- Sporting facilities
- Bars & Restaurants
- Retail
- Education
- Corporate
- Residential

System specifications:

Speaker type	8" Bass reflex cabinet	
Impedance	8 Ω	
Peak power handling	400 W	
Program power handling	200 W	
Continuous power (AES)	100 W	
Sensitivity (1W/1m)	83 dB	
Sound Pressure (Max. W/1m)	108 dB	
Frequency	Response (± 3 dB)	90 Hz - 350 Hz
	Range (-10 dB)	45 Hz - 350 Hz
Drivers	8" ferrite with 2.4" voice coil	
Connectors	2-pin Euro Terminal Block (Pitch - 5.08 mm)	

Product Features:

Dimensions	21.97 x 15.079 x 5.87 " (W x H x D)	
Weight	19.29 lb	
Construction	Aluminium with plastic side covers	
Mounting & handling	Mounting wall bracket	
Colours	Black (RAL9004) (NOBA8/B) White (RAL9003) (NOBA8/W)	
Accessories	Included	Wall mounting bracket
	Optional	MBK410C Ceiling mount bracket

Variants:

- NOBA8/B - Black
- NOBA8/W - White
